

Reading

Please share the book that is in your child's book bag each day. Ask these questions:

- Who were the characters?
- What happened at the beginning?
- What happened in the middle of the
- What happened at the end?
- Could you think of a better ending?
- What was your favourite part? Why?

Phonics

Please access the YouTube Jolly Phonics songs daily. Children love singing the songs and doing the actions.

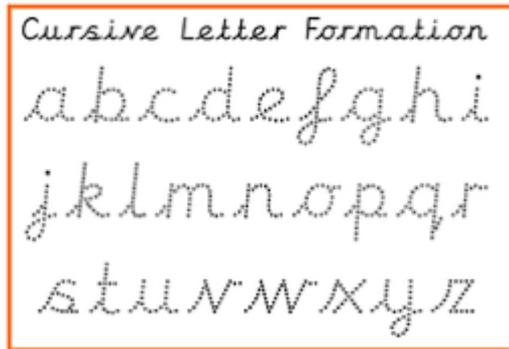

Jolly Phonics 42 Sound and Vowel Song - https://www.youtube.com/watch?v=U2HYM9VXg_9k

Phonic Hunt

Ask an adult to say the sound of a letter of the alphabet. Can you find 5 items that start with that letter?

Handwriting

As we are focussing on cursive letter formation, please complete daily practice of the cursive letters of the alphabet.

Tricky Words

Practice writing tricky words each day. Start with reading, covering, writing, then checking.

Then lead into a spelling test style write. Reception children are expected to use these words in sentences and spell them correctly.

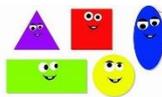

Phase 2	Phase 3	Phase 4	Phase 5
the	he all	said there	oh
to	she are	have little	there
I	we my	like one	people
no	me her	so when	Mr
go	be	do out	Mrs
into	was	some what	looked
	you	come	called
	they	were	asked
			could

Shape

Recognise and name 2D shapes. Recognise and name 3D shapes. Can you find any of these shapes in your house? What are they?

Shape Art

Draw a picture only using circles, squares and triangles.

Shape Hunt

Draw the shapes you can see in your environment and label what they are (square window, circle mirror etc.).

Number

YouTube - Numberblocks

Recognise and write numbers to 20. Here are some example number questions adults could ask (and change the numbers).

- Can you show me 12?
- Which is the biggest number?
- Which is the smallest number?
- Can you write the number 8?
- What is one more than 10?
- What is one less than 7?
- Can you find any numbers in the house?

Drawing

Choose an item within the house. Draw it and colour it in. Add labels to describe your item. This could be how it looks and feels or what it is used for.

Name Writing

Can you write your first name? Can you write your surname? Can you write it using different mediums e.g. felt tips, crayons, chalk etc.?

Adding/Taking Away

Using real life problems, look at addition and subtraction.

For example:

I have 5 sweets, and I eat 2 - How many do I have left?

I have 3 toys and I find 2 more - How many do I have now?

Singing

Access the link below and perform different nursery rhymes and familiar songs.

www.kidstube/video

Number Hunt

Write down the numbers you can see in your environment (Page numbers, door numbers, measurements for ingredients etc.).

Signs of Spring

Can you draw 5 pictures that represent the season Spring? (e.g. lamb, flowers, chicks)

Healthy Foods

Write a list of 5 healthy food items you have in your house.

Junk Modelling

Using boxes and recyclable goods, can you create an insect?

Sorting Coins

Using 10 coins, can you sort them into different ways? Can you explain how you have sorted them?

Research

Using the internet or books at home, research an insect. Draw it and copy write 3 facts.

Blowing Bubbles

Using washing up liquid, can you make a bubble with your hands? Can you make a bigger one?
